REQUEST FOR AN ADMINISTRATIVE REVIEW

You may have the option to choose an administrative review in place of a hearing. You are eligible for an administrative review **IF ALL OF THE FOLLOWING APPLY**:

- You are **NOT** a Michigan resident, **and**
- You are attempting to clear your Michigan driving record, **and**
- The licensing action you are appealing does not involve a fatality.

You will not have to appear in person for an administrative review. Instead, the Department of State will review the documents you submit and its own records to determine if your full driving privileges can be reinstated. You will receive a written decision by mail. If the decision is unfavorable, you can still request an in-person or video hearing. You may only request one administrative review in any 12-month period. Please place a check mark next to the statement below **if you would like an administrative review instead of a hearing**.

____ I am requesting an administrative review. I understand that the administrative review will be based on the written proofs that I submit along with this form, and that the department may or may not accept additional evidence. I understand that previous license appeal orders may be considered in making a decision. I also understand the administrative review will not be recorded and that no testimony will be taken. I further understand the decision will be mailed after the administrative review has been completed. Selecting this option does not affect my eligibility for a hearing.

.....

Please fill out the information below. Whether you are applying for a hearing or an administrative review, this information will assist the department in determining whether to restore your driving privileges. Submitting it does not guarantee you will be approved for a driver's license or a license clearance.
